

# The National Veteran's Cup

The annual Veterans Cup tournament was established in 1998 by the United States Adult Soccer Association with the intention of providing high-level soccer to both men and women 30 years of age and older. The current National Veterans Cup tournament is a 6-day event with an anticipated 100 adult soccer teams, comprising approximately 3,200 players, family members, and supporters. Past tournaments have been hosted in states like Hawaii, Washington State, Massachusetts, West Virginia and North Carolina.

In 2011 The National Veterans Cup Committee is happy to announce that the National Veterans Cup will be held July 5-10, 2011 in Sanford, Florida.

Sanford is located about 20 miles north of Orlando. The 2011 tournament will be hosted by Central Florida Sports Commission (<http://www.centralfloridasports.org>), a non-profit private organization created to attract international, national, and regional events and sports-related business and activities to Central Florida.

All the 2011 Veterans Cup games will be played at the Seminole Soccer Club Complex. Situated about 30 minutes from the airport, this 40-acre soccer facility is privately owned and operated by Florida Soccer Alliance to host some of Central Florida's biggest soccer events. The Seminole Soccer Complex has eleven full size

soccer pads that can accommodate a number of various sized fields, including a stadium field that seats more than 1,500. Annually, the club hosts nearly 2,000 games and more than 80,000 people come through its gates. The facility is the home of the PDL Central Florida Kraze, and has hosted some of the most prestigious tournaments in the nation, including SuperClubs, FYSA State Cup, US Club Soccer Championships, and more.
